

# Rescue Cambodia

August 2018

**The biggest news is this: Rescue Cambodia dance troupe will be leaving on an epic journey to Canada and the USA, departing from Phnom Penh on Tuesday, September 4, 2018. For some this is a return journey because they were part of the performances in 2016. For others this will be the journey of a life time.**

For many months the twelve young dancers have practiced six dances under the capable teaching of Samnang Saum, our gifted dance instructor. The dances are mostly charming, traditional Cambodian dances but there are a couple of surprises as well. In addition, a Cambodian filmmaker, Mout Iv used his talents to produce three great short videos. We are so excited about the final production, which carries the unmistakable blessing of the Lord Jesus. Our journey will take us from the west coast of Canada all the way to Montreal Quebec and also down south to Rochester MN, Spirit Lake, Iowa, and Chicago, Ill. Our hope is that many supporters and friends of Rescue Cambodia will have the joyful privilege of meeting some of the children that they have been supporting or praying for.

Accompanying the dancers and their instructor, will be Rev. Blaine Sylvester, fund raiser for Rescue Cambodia in Canada and the States, Pastor Sokthon Chhat, the new director of Rescue Cambodia, Trakuan Choy, a chaperone and Marie Ens, Founder and Advisor.

As our audience becomes even more aware of the amazing place the Lord has established for His beloved Cambodian children, may He touch many hearts to make a decision to partner with us, through financial support and prayer. We will have the photos of 40 children, adults coping with AIDS or Grannies who need sponsors. Sponsorship is \$50 a month

We will be bringing copies of the books previously written by Marie Ens. Seven books for adults and three children's books will be available for a donation. Besides this, there is a new booklet, **MY JOURNEY TO RESCUE** which contains the heart touching testimonies of the dancers. But wait, there's more.... You will also be able to obtain a fun card game. **TELL ME THE STORY** is a set of 48 pictures drawn by one of the young people from Place of Rescue. Families with children will enjoy telling a story using the cards to add sentences around the circle of players. This enjoyable reminder of Rescue can be yours for a suggested donation of just \$5.00.

At Place of Rescue in Pailin we have started raising bees. We want to do that at Place of Rescue 1 as well. Bees need lots of flowers so we have planted some but need a lot more. As your flower garden goes to seed, how about gathering up seeds and giving them to us when we meet you?

For all of us at Rescue Cambodia,  
Marie Ens, Advisor
